Camping Facilities

Note: Always check on fire restrictions with the local DPaW office before your trip.

Cape to Cape Track Campsites

Cape to Cape Track campsites have minimal facilities: bush toilets, picnic tables and rainwater tanks. Their design is for small parties only. A ‘fuel-stoves only’ policy applies. Cape to Cape Track campsites, with distances between, are:

Cape Naturaliste Lighthouse	0.0 km
Mount Duckworth Campsite	9.77 km
Moses Campsite	22.6 km
Ellensbrook Campsite	18.47 km
Deepdene Campsite	56.66 + 0.46 km sidetrack
To Cape Leeuwin Lighthouse	15.44 km

Between Ellensbrook and Deepdene Campsites use Prevelly Beach Resort, Contos Campground or Point Road Campgrounds. These are not Cape to Cape Track campsites.

National Park campgrounds

The National Park campgrounds are like the Cape to Cape Track campsites, but also have barbecues with wood provided, except during periods of complete fire bans. They have vehicle access, and small, individual sites, but also areas for larger groups. Note: No alcohol allowed in the campgrounds. Per night camping fees are \$10 per adult and \$2.20 per child.

Note: There is no water supply at Point Road nor Boranup Campgrounds.

Campgrounds are at:

Contos Campground	18.05 km to Prevelly Beach Resort; 21.02 km to Hamelin Bay
Point Road	1.63 km south of Contos Campground
Boranup	3.88 km off Track from Trig/Boranup Beach Road Junction. 3.80 km off Track from Grace Road beach exit

Private caravan parks and resorts

Private commercial caravan parks and resorts have full facilities, such as flush toilets, washrooms with hot showers, laundry and shops with basic supplies. Those on or very close to the Track are:

Yallingup Caravan Park	13.00 km from Cape Naturaliste Lighthouse
Caves Caravan Park	1.05 km inland from the Track at Yallingup
Gracetown Caravan Park	2.90 km inland from the Track at Gracetown, 12.83 km from Moses Campsite
Prevelly Beach Resort	19.30 km from Gracetown Boat Ramp
Hamelin Bay Caravan Park	23.65 km to Cape Leeuwin Lighthouse

Tip

Turn your binoculars upside down for close-up views of small things – ants, flowers etc. You’ll be surprised at the detail you can see!
